

Condition 29: Operation Support Systems (OSS) Collaborative

SBC/Ameritech Illinois Merger, Docket: 98-0555

Meeting Schedule

Phase 2 of Condition 29 in docket 98-055, calls for SBC/Ameritech Illinois to work collaboratively with ICC Staff and Illinois CLECs, in a series of workshops, to obtain written agreement on OSS interfaces, enhancements, and business requirements. The collaborative process is to last 3 months. After one month of discussions a majority of CLECs may request arbitration by the Commission therefore the initial four week period of discussions must be as productive as possible. The following meeting schedule has been determined for the first month of Phase 2.
